

Carol of the Bells

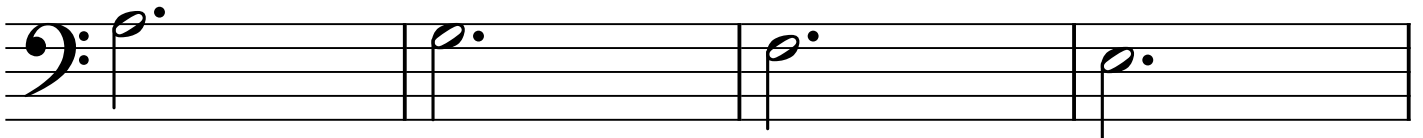

Mykola Leontovych

Your teacher will show you how to play each step and then put it together.

1. Learn the RH melody.

2. Learn the LH. The LH just uses the first part of a descending A minor scale.

3. Put it together. Press and hold the LH notes while the right hand plays the melody.

Optional change it up! Try these ideas:

1. Play in different octaves.
2. Cross the LH over the RH to play the descending A minor scale on high notes.
3. Add a third above the melody like this:
