

The Great Detective Song

Create a fun and mysterious detective song with the A minor scale. The left hand uses the top part of the scale and the diagram below shows which keys to use.

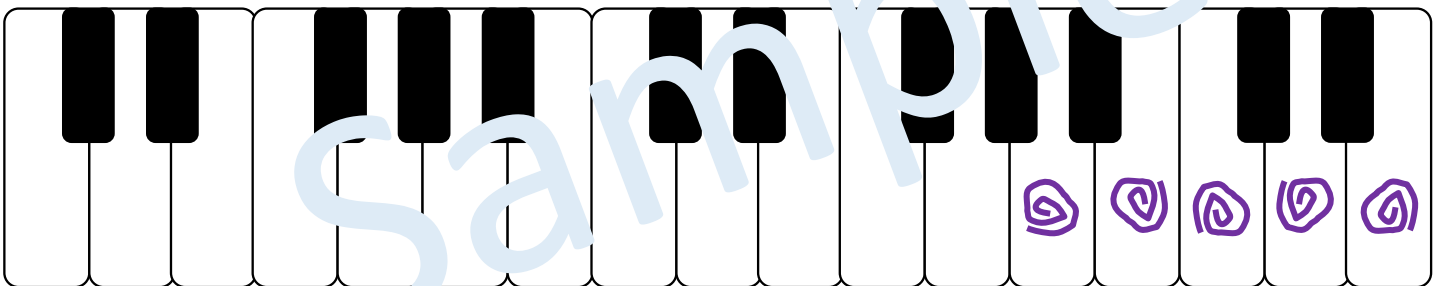

Left hand plays these keys in descending order:
Play in a slow, steady rhythm.

Left hand plays these keys in descending order.

After your left hand is comfortable playing, add in the right hand. Improvise using any key from the A minor scale.

Right hand improvises, using these keys in any order.
